

Ted Talks to Watch with Kids

Directions:

1. Choose a TED Talk to watch
2. As you watch ask yourself
 - a. How was this TED Talk made?
 - b. Does the speaker use an expository (big idea and details) or narrative (characters, setting etc) lense?
 - c. How are are the parts connected?
3. Rewatch the video a second time
 - a. Take notes in your reading journal
 - b. Organize your notes using boxes and bullets, problem solution, compare and contrast, a timeline, or cause and effect
 - c. You could also draw a picture or diagram and label it
